

INFORMATION AND CONSENT TO THE PROCESSING OF PERSONAL DATA (articles 13 European Regulations 2016/679)

Pursuant to art. 13 of EU Regulation 2016/679, we inform you that the personal data included in your CV will be acquired and processed on electronic and telematic support solely for the research and selection of personnel and in order to evaluate the possible interest in the future establishment of a contractual relationship to be determined in the content. The data are processed on the basis of your consent.

The collected data, even belonging to particular categories of personal data referred to article 9 of EU Regulation 2016/679 (sensitive data), will be included in our databases and kept for the entire period necessary for the evaluation. They will be deleted or destroyed if your figure doesn't present characteristics of interest for the purpose of the possible selection.

In any case, the conservation of your data will take place for a period not exceeding 2 years.

Please note that the provision of data is entirely optional, but the failure to disclose data will make it impossible to consider your application as part of a selection procedure.

The processing of your data will be carried out by our internal personnel authorized to process and, on our behalf, by external parties, formally appointed as Data Processors.

With regard to the data, you may request access, rectification, deletion, limitation or opposition of processing as well as data portability by contacting the company BCB Electric srl, owner of the processing of your data, whose contact details are : tel. 071965407 - e-mail address info@bcbteam.com.

In the same way you can revoke the consent to the treatment, without affecting the treatments performed before the aforementioned revocation.

You may, if you believe that the processing of data concerning you is in violation of Regulation 679/2016, submit a complaint to the Guarantor for the protection of personal data.
